

## Neon Tire Clock

Time keeps on rollin' with our highly-detailed fiberglass replicas of authentic auto, racing, motorcycle and tractor tires. Each clock has a 15" inset clock face which offers an art-board for simple spot color logos, or photographic quality 4-color images. Highlighted with a vibrant neon "rim", clear lexan face and quartz movement keeps accurate time.

Neon color options: blue, white, yellow, orange, green, red and pink.
