

Tokheim 39 Junior Gas Pump Gumball Machine

We've taken our standard TK39 gas pump and scaled it down a bit. High-gloss gel coat finish, with decorative hose, nozzle, reset crank and illuminated globe. Interior hopper holds over 1,000 one-inch gumballs and vends using a "Beaver" brand coin mechanism. Powder coated steel cash-box securely locks to hold all your profits.

110 Volt. UL Listed. Made in the U.S.A.

\$.25 US Coin Mechanism Standard.

Dimensions: 5'10" H x 2'1" W x 1'4" D

Weight: Approximately 85 lbs.

Item No: TK2-GB
